Re: **COPAS-OKC Membership Drive 2009-2010**

The Oklahoma City Society of the Council of Petroleum Accountants Societies (COPAS) invites you to join our organization and become an active participant in a professional organization for accountants within the petroleum industry. COPAS is recognized for its expertise in oil and gas accounting and as an authority in offering accounting guidelines and solutions to the latest developments and challenges facing the energy sector. Whether you are an operator, working interest owner, royalty owner, teacher, student or accounting firm, COPAS has something for you. It is a great place for networking and keeping up with latest in oil and gas accounting.

**It should be noted that COPAS OKC is the only petroleum accountants organization in the Oklahoma City area that is affiliated with COPAS.** Membership in COPAS OKC carries full voting privileges on national COPAS issues and publications, as well as local Society items.

Participation in COPAS provides opportunities for education and personal growth that will enhance your knowledge and contribution to your company. We are an all volunteer organization and encourage your active participation in one of our committees. Committees offer education in specific areas, including in-depth discussions of issues in our industry that establish industry standards. Educational and training opportunities, reference materials, and industry contacts are all available. In addition, CPE (Continuing Professional Education) credit is offered in our technical sessions.

**Local committees include:**

- ◆ Audit
- ◆ Education
- ◆ Financial Reporting/Sarbanes-Oxley
- ◆ Joint Interest
- ◆ Midstream/Downstream
- ◆ Revenue
- ◆ Small Oil and Gas Companies
- ◆ Tax

Your active participation in COPAS provides you the opportunity to learn about and provide input for changes that affect your business before they are adopted. The organization has more than twenty local societies in the United States and Canada, with over 3,000 members nationwide. Committees exist at both the local and national level, and include members representing companies of varying sizes.

At the national level, COPAS has developed the Accredited Petroleum Accountant (APA) program, a knowledge-based accreditation program. The APA program provides an excellent source for continuing education, and can also be beneficial for employers to use in employee training and selection. A fully accredited APA must pass tests in eight areas: Operations, Law, Revenue, Tax, Joint Interest, Financial Reporting, Managerial, and Auditing.

We are pleased to announce that meetings this year will once again be held at the beautiful and historic **Skirvin Hilton**, One Park Avenue in downtown Oklahoma City, at the corner of Broadway Ave and Park Ave. In response to comments and requests from many of our members, please note that three of the monthly meetings this year will be luncheon meetings. The other four will be dinner meetings, as in the past.

**Society Meeting dates for 2009-2010 are:**

- | <u>2009</u>                           | <u>2010</u>                                      |
|---------------------------------------|--|
| ◆ September 8, 2009 (dinner)          | ◆ February 9, 2010 (lunch)                       |
| ◆ October 15, 2009 (dinner)           | ◆ March 9, 2010 (dinner)                         |
| ◆ December 8, 2009 (holiday luncheon) | ◆ April 13, 2010 (dinner)                        |
|                                       | ◆ May 11, 2010 (luncheon, Employer Appreciation) |

We recognize that companies of all sizes have been impacted by the current downturn in the economy and the drop in oil and gas prices. Therefore, **we are maintaining membership dues at last year's level of \$250 per person.** Membership dues include the cost of seven Society meetings, including meals at all meetings, and two drink tickets at dinner meetings. The dues also include membership in COPAS at the national level.

An application form and a membership benefits summary are attached. A registration form for the annual golf tournament, scheduled for Friday, September 11th at Fairfax Golf Club in Edmond is also included. Greens fees have been reduced this year, to encourage as much participation as possible in this fun event, which gives everyone a great opportunity to network with other COPAS members in an informal setting.

We invite you to join us, and take an active role in an organization where your participation can make a difference! Should you have any questions concerning becoming a member please contact either Randy Goben or myself. Our contact information is as follows [randy.goben@chk.com](mailto:randy.goben@chk.com) or [jeffm@chaparralenergy.com](mailto:jeffm@chaparralenergy.com). ## **ARTICLE II - MEMBERSHIP**

**SECTION 1 - Membership.** Membership in the Society shall be open only to individuals who are genuinely interested in the aims and objectives of the Society, and who are willing to subscribe to the Constitution and Bylaws of the Society, the Code of Ethics as adopted by the Council of Petroleum Accountants Societies, Inc. ("COPAS") and upon payment of membership fees. All memberships shall be valid for a period of one (1) fiscal year, and must be renewed each fiscal year.

**SECTION 2 - Regular Members.** Individuals who are qualified, as set forth in Section 1 of this Article, may be approved as Regular Members, provided they are actively engaged in the accounting activities of a company or entity whose primary business is the exploration, production, transportation, refining, or marketing of hydrocarbons. Individuals employed by any other entity or who are self employed (hereafter deemed to be included in the use of the term entity) are eligible to be Regular Members, provided that the applicants are engaged directly in oil and gas accounting decision making or auditing of oil and gas interests. Individuals employed by government agencies are not eligible for Regular Memberships.

Regular Members shall be entitled to all the privileges of the Society, including voting and the holding of offices as hereinafter set forth.

For the purposes of this Section, accounting activities are construed to include Joint Interest Accounting and Auditing, Revenue or Production Accounting and Auditing, Fixed Asset and Material Accounting, Refining, Marketing, or Transportation Accounting, Financial Reporting and Analysis, oversight of Oil and Gas Accounting Systems (incl. EDI), Tax, Treasury Functions, or other accounting functions as determined by the Board of Directors.

Throughout this document Regular Members shall be deemed to represent the entity from which they derive the majority of their annual income. Regular Members who are contract employees and derive 90% of their annual income from a single entity shall be deemed to represent that entity. No member may represent more than one (1) entity.

**SECTION 3 - Associate Members.** Individuals who are qualified as set forth in Section 1 of this Article but who are not eligible to become Regular Members as defined in Section 2 of this Article, may seek to become Associate Members of the Society. Associate Membership carries with it all of the privileges of Regular Membership, except those Associate Members may not vote nor hold elective office. Employees of governmental agencies are eligible for Associate Memberships.

**SECTION 4 - Honorary Members.** Any member, past member, university representative, or other dignitary who has distinguished himself in exceptional service rendered to the Society or to petroleum accounting may be elected to honorary membership in this Society by the Board of Directors. Honorary Members shall be entitled to all privileges of the Society except that they may not vote nor hold office within the Society. Any Honorary Member may become a Regular Member also.

## Membership Application Form 2009 - 2010
